

Fikret Baydarman

I was born in Istanbul in 1977 as the 5th child of a family of tradesmen from Siirt. After Fatih Atikali Primary School, I completed my secondary and high school education at Fatih Vatan High School in Istanbul. I had the opportunity to continue my education at Koç University Faculty of Business Administration, then in 1997, at Philadelphia Textile and Science University in the USA as a student who was awarded a scholarship. Additionally, I graduated from Anadolu University, Faculty of Economics, Department of Economics in 2005. I completed my military service in Diyarbakır

Military Hospital in 2008.

In 2003, I founded my first own company "Derkim A.Ş. company. With Derkim Poliüretan A.Ş company, which developed important projects by rising from scratch in a short time, we have reached employment of 330 people. Derkim, which is rapidly advancing towards becoming a pioneer and leading organization in its sector, has patent rights developed by its own R&D.

Apart from the chemistry sector, I also have investments in the fields of Paint, Cooling, Shoes, Mining, Petroleum industry and Cargo, etc.

I am the owner and partner of Derkim Group, Derkim Poliüretan, Derkim Çinko A.Ş, Lineer Madencilik, Lineer Express, Linear Caustic, Linear Chemistry, Linear Metal, Linear Petroleum and Linear Hydroturbine companies.

I am working on the industrialization of R&D projects for the future and strengthening economy of Türkiye. Also I recently graduated from Kırklareli University, Department of Chemical Technologies in order to get to know better the sector I trade in.

I am a member of Board in AK Party İstanbul. In addition, I continue to work as the Fatih District Coordinator of the AK Party. I have worked as a founder and manager and took various positions in many civil society organizations such as the culture education and assistance Foundation, the Istanbul civilization Foundation, Siirt Volunteers Platform and Federation etc.

I speak English and middle Italian. I was interested in football, basketball, badminton and martial arts. My wife is an interior designer and I have 2 sons.

Your's respectfully.
